

The company of ALP Automotive LTD was established in 1996 as an import and export constitution. The purpose is to create a worldwide vision and perspective providing qualified, reliable and affordable goods.

At first, ALP initiated to specialize in aftermarket spare parts for DAF trucks and rapidly expanded it's acknowledge, experience and quality day by day. After 23 years of experience, ALP offers it's customers under the registered trademark ALP for DAF, Renault, Scania, Mercedes, Volvo, MAN and Iveco.

In addition to ALP brand, our company is also the regional dealer of Kolbenschmidt (KS), which is known as a Dutch company for engine parts to supply all demands and requirements of our customer with perfection of quality.

The essential principle is to appreciate and care about our customers. We ensure all to keep the satisfaction of customers at the highest level without compromising from its superior quality.

Proud to operate within this specialist group, ALP is one of the Turkey's reputable independent distributors of replacement truck spares, supplying premium-quality replacement commercial vehicle spares.
